

Monthly Health and Safety Support Options

Revised: Nov 2017

Our support options are ideal for companies who wish to run Health and Safety in-house but would value the support of a dedicated Health and Safety Advisor. **To get started, ph 021594694**

	Gold	Essentials	Basics
<p>Health and Safety Meeting with your dedicated Health and Safety Advisor.</p> <ul style="list-style-type: none"> We'll help you stay on track and keep up with your obligations Be updated on the latest case-studies, news events, and revised best-practice guidelines on a regular basis. Gain peace of mind that you're on track and doing what needs to be done. 	Monthly	Bi-Monthly	Bi-Monthly
<p>Phone/Email support and professional, friendly advice. Got a guy going on the roof? Give us a call, we'll run it by them. Got a Worksafe inspector onsite? We'll handle it. Friendly, expert advice when you need it.</p>	✓	✓	✓
<p>Updates from the latest Safety News. Did you know that a company was recently pinged for doing XXXX and here's what you must do as a result? We do! Receive regular updates and advice on the latest best practice guidelines so that you're always informed.</p>	✓	✓	✓
